Everyone Plays...

The Irmo Chapin Recreation Commission (ICRC) is committed to ensuring children in our community can learn, play and enjoy recreational opportunities at our parks. To make programs financially accessible to all, the Commission maintains the *Chase Loveless Memorial Scholarship Fund* which offers partial and full scholarships to children based on need. This scholarship fund is made possible through donations from businesses and individuals like you.

Your Donation Matters

Did you know that approximately 40% of children in School District Five of Lexington and Richland Counties qualify for free and reduced lunch? When families struggle to provide food, they don't have the resources to provide recreational activities for their children. That's why last year, **ICRC awarded \$32,471** in scholarships helping **941 youth** participate in various team sports. In addition to sports, we have expanded our scholarship program to include other recreational opportunities like dance classes, STEM programs and more. Program scholarships offer children of all backgrounds the chance to reach their full potential by helping build confidence, self-esteem, character, and self-discipline.

Give the Gift of Recreation

Your donation to the Chase Loveless Memorial Scholarship Fund is an opportunity for you to invest in the health, success and lives of youth in our community.

So give the gift of RECREATION today!
